

## Family Matters (Silhouette Special Edition)

The aunt said: The Iceman cometh, Daisy Channing muttered as she awaited the arrival of her buttoned down Wall Street brother in law. The uncle said: My sister in law is as nutty as a California almond grove, Andrew Addison grumbled as he neared the West Coast. The family matter: Clearly, neither dreamed the other an apt guardian for their precious orphaned nephew. It would take two of them to do beloved little Jeremy justice. But that meant Daisy had to find a heart in Drews muscled chest- without losing her own- and Drew had to locate logic in Daisys adorable addepleted headed- without losing his mind. And that was as likely as ... as turning this delicate family matter into a family affair!
