

Ragged Rainbows: The Miracle Baby (Harlequin Bestsellers)

WOULD IT BE BETRAYAL IF SHE NEVER KNEW? Mitch Prescott was Shay Kendalls savior. Hed bought her mothers mansion on the Washington coast, a financial albatross that Shay couldnt handle. And now he offered her true financial independence a dream as seductive as Mitch himself. All she had to do was help him write an expose on her mother, a former Hollywood star. It felt disloyal, even though her mother would never know the difference. Once a legend, Rosamond now wasted away in a long-term care facility, clutching a doll she thought was her baby. It would be painful, recalling her mothers fickle love and the worst moments of Shays life. But it could be the one thing that finally allowed Shay to move forward. And find her own love.
