

## Roommates: A Guide to getting along with a Roommate

Are you thinking about getting a roommate? Do you have a roommate that you are struggling to get along with? It doesn't matter if you are moving in with a lifelong friend or a stranger, room mating can be as difficult as it is fun. Roommates come together for many reasons, and they are rather blended situations that can differ greatly. Whether you are two females, a heterosexual female and a gay male, two gay females (or guys), a straight girl and a straight guy, you are a single man or woman moving in with a family, you are a pet owner moving in with a non-pet owner or you are thrown together by college fate you can make room mating work for you. The two main things to remember is to know who you are about to live with, and make sure you know the unspoken rules to room mating success!
