

The Baby Bond (Bundles of Joy)

Bundles of Joy A DOUBLE BUNDLE OF JOY! Surrogate mother Julie Gregory was suddenly the only mother for the beloved baby she was carrying. And the baby's handsome father wasn't even aware she or the baby existed! Yet millionaire businessman Tom Callahan didn't intend to give up parental rights to his sudden heir. He insisted on an ice-cold marriage of convenience. But the red-hot love Julie felt for her new husband wasn't the biggest surprise of all. They were expecting two bundles of joy twins! Still, the pregnant bride knew her heart would always be empty without the most precious gift of all: Tom's love. Sometimes small packages can lead to the biggest surprises!
