

## Long Way Home (A Hanover Brothers Novel Book 3)

The Hanover brothers are trying to live down the con-man reputation of their late father. But they can't blame their father for all their problems in life or in love. Callen Hanover has led a tough life. But after years of roaming, he's finally settled back home in Sweetwater to reunite with his brothers, and rebuild Shadow Hill, his grandmother's crumbling home. The last person he expected to see at his door was Grace Pruitt—girlfriend and partner to the FBI agent who's determined to put Callen away. Grace Pruitt is in town to save the two men she cares about: the mother's former partner who seems to be on a downward spiral, and Callen, the man who ran before she could explain who she really was or tell him some shocking news. Can the secrets of the Hanover family's past be just the thing to save them all? Or is it already too late? Praise for Helen Kay Dimon: She's a delight.
