

Sweet Nothings

A Coulter novel from the New York Times bestselling author of the Harrigan Family (Perfect Timing) and Valance Family novels (Walking on Air)...When Molly Wells showed up at Jake Coulter's ranch, she had nothing but some extra clothes, a stolen horse, and a fear of her ex-husband that threatened to rule her life. She'd heard Jake was a real-life horse whisperer—and perhaps the only man alive who could help the beautiful stallion that her ex-husband had so bitterly abused. But she had no idea that Jake's talents would work their magic on her, with the same power to gain her trust, give her strength, and whisper away her deepest fears. No one writes riveting emotion quite like Catherine Anderson. Her talent for delving into rich, emotional depths is unmatched. --Romantic Times Catherine Anderson is one of the best romance writers today. --Affaire de Coeur
