

## Brenda Novak Whiskey Creek Series Vol Two: Home to Whiskey Creek//Take Me Home for Christmas//Come Home to Me

Join the many readers who've fallen in love with Whiskey Creek, the Northern California town created by New York Times bestselling author Brenda Novak.

**HOME TO WHISKEY CREEK** When Adelaide Davies has returned to Whiskey Creek to take care of her aging grandmother, she isn't happy to be back there are too many people here who were involved in that terrible June night fifteen years ago, people she'd rather avoid. But popular and successful Noah Rackham is shocked when Adelaide won't have anything to do with him. He has no idea that his very presence reminds her of something she'd rather forget. He only knows that he's finally met a woman he could love.

**TAKE ME HOME FOR CHRISTMAS** Everyone in Whiskey Creek remembers Sophia DeBussi as the town's Mean Girl. Especially Ted Dixon, whose love she once scorned. But Sophia has paid the price the man she did marry was rich and powerful but abusive. When he goes missing, she learns that he died running from an FBI probe of his investment firm, leaving her penniless and forced to face all the townspeople he cheated. Desperate for work, she accepts a job as housekeeper for Ted, now a successful writer. He refuses to get emotionally involved, but will the holidays bring them another chance at happiness?

**COME HOME TO ME** When Presley Christensen returns to Whiskey Creek with her little boy, she has completely changed her life. Now she's back in the small town that was the closest thing to home she ever knew. There's just one catch. Aaron Amos still lives in Whiskey Creek, and no matter how hard she's tried, Presley hasn't been able to get over him. She's come too far to backslide now. And there's a secret she's been guarding a secret she'll do anything to protect.
