

Its Not Christmas Without You (The Holloway Series)

Book one in The Holloway Series Carrie Anders officially broke up with Austin Thomas when she accepted a dream job in the city. Unofficially, she misses him and is tempted to sneak back to her West Virginia hometown to see him. That's why this year, she's not going home for the holidays. Her heart can't take any more mornings-after where nothing has changed and Austin has made it clear he's not interested in relocating. Austin's been waiting for Carrie to realize she can't live without him. But when he hears she's not coming home for Christmas, he decides to take action. If Carrie won't come to the country, he's going to bring a piece of the country to Carrie in the form of a Christmas tree lot just minutes from her apartment. He's certain daily meetings will entice her to come home with him, this time for good. Their attraction is as hot as ever, but with such contrary Christmas wishes, can either of them get what they really want this year? 28,000 words
