

The Taming of the Billionaire (Billionaires and Bridesmaids)

Edies an overbearing cat behaviorist whos not big on people. Magnus is a newly rich game developer who likes to be in control. When the two of them meet at Gretchen and Hunters masquerade engagement party, the loathing is mutual. But when Magnuss younger brother falls for Edies sister, he begs for his brothers help in concocting a plan to win her over. If Magnus can keep the prickly Edie occupied, his brother will have time to woo Edies sister. Of course, Magnus isnt interested in the slightest, but he has to admit that Edie is intriguing. Shes stubborn, smart, and sexy-and they might have more in common than they thought. Before long, it becomes a challenge between the two of them to see who will be tamed first. But hows Edie going to react when she finds out that Magnus is using her? And hows Magnus going to handle the fact that hes fallen for a cat lady?
