

## Creativity and Writing Pack for Upper Elementary Gifted and Talented

Keep your students challenged in a purposeful way! Best practices for GATE, 21st Century Learning, and a hands-on approach to Common Core Standards. This pack includes three collections: Doodles Writing Adventure: Students engage in a creative activity and then use the activity to create a character. Graphic organizers help the students bring the character to life. After including their new character in a narrative adventure, students design a three dimensional version of their new character. Road Trip Writing Adventure: Students embark on a cross country road trip, practicing Common Core Standards across the curriculum. They select from a number of creative menu response options--from three dimensional art to graphic design and from geography to economics. Annos Journey into 21st Century Learning Skills: Students choose from 44 creative responses to Mitsumashi Annos wonderful graphic work, Annos Journey. Theyll be engineers, shop keepers, storytellers, mathematicians and much, much more! Use this collection as a unit or complete the activities in a learning center or a couple days a month for the entire school year. All creative menu options are referenced to 21st Century Learning Skills. Please see the big preview for details.
