

Marry Me, Cowboy - Leather & Lace (Silhouette Yours Truly)

The Last American Cowboy... was stranded--and on his own ranch, of all places!--with one very alluring little lady who had him thinking of things that didnt involve ropin or wranglin. Things that were--dare he say it?--romantic. Well, that left him with only one choice...

...And The Wanna-Be Cowgirl!...Run her off the ranch? Never! Brianne Gainsborough could rope and brand cattle with the best of them. Heck, shed even be willing to bet she could rope herself a cowboy like Kent Cutler if she wanted...and boy did she want!
