

## Debbie Macomber - Cedar Cove Series (2-in-1 Collection): 44 Cranberry Point, 50 Harbor Street

Two novels from Debbie Macomber's Cedar Cove series together in one collection: Peggy Beldon Thyme and Tide B and B, 44 Cranberry Point, Cedar Cove, Washington. Dear Listener, I love living in Cedar Cove, but things haven't been the same since a man died in our B and B. Turns out his name was Max Russell, and Bob had known him briefly in Vietnam. We still don't have any idea why he came here and, most important of all, who killed him. Because it now appears that he was poisoned. I sure hope somebody figures it out soon! Not that we're providing the only news in Cedar Cove these days. I heard that Jon Bowman and Maryellen Sherman are getting married. And Maryellen's mom, Grace, has more than her share of interested men! The question is: Which one is she going to choose? Olivia? I guess it's Olivia Griffin now? She's back from her honeymoon, and her mother, Charlotte (who's in her mid-seventies at least), seems to have a man in her life, too. I'm not sure Olivia's too pleased. There's lots of other gossip I could tell you. Come by for a cup of tea and one of my blueberry muffins and we'll talk. Peggy Corrie McAfee, 50 Harbor Street, Cedar Cove, Washington. Dear Listener, considering that I'm married to Cedar Cove's private investigator, you might think I enjoy mysteries. But I don't, especially when they involve us! Roy and I have been receiving anonymous postcards and messages asking if we regret the past. We don't know what they mean. On a more positive note, we're both delighted that our daughter, Linette, has moved to Cedar Cove to work at the new medical clinic. A while ago I attended the humane society's Dog and Bachelor Auction, where I bought her a date with Cal Washburn, who works at Cliff Hardings horse farm. Unfortunately, Linette is less enthusiastic about this date than I am. Speaking of Cliff, the romance between him and Grace Sherman is back on. But

thats only one of the many interesting stories here in Cedar Cove. So why dont you drop by for a coffee at my husbands office on Main Street or our house on Harbor and Ill tell you everything thats new!Corrie
