

## 52 Ways to Connect as a Couple

Popular author and speaker Jay Payleitner shows that becoming one includes more than just staying married. Its not just about compromise. And its not just about sacrifice and mutual submission. And its not just about sex. Its about unity. Solidarity. Integrity. But how do you nurture oneness in the real world? In these 52 short readings, youll find fun, creative ways you and your spouse can embrace a common purpose and shared dreams. Jay addresses head-on some of the obstacles to oneness and suggests out-of-the-box solutions for overcoming them. Share dreams. Never compromise. Hit bottom together. Pay off the credit cards. Kiss in the kitchen. Laugh together. Cry together. Serve. Be served. Sometimes spiritual, sometimes silly, but always practical, winsome, and wise, these ideas for drawing closer to each other and enjoying your unique connection will inspire and equip you to make your marriage better than ever.
