

Time Travel Romance: Tepee Fire (Historical Time Travel Romance) (New Adult Comedy Romance Short Stories)

Biology major Lily doesn't care much about history. Her friend may have dragged her to a park dedicated to the ancient city that used to stand there, but Lily is determined not to enjoy it. All that changes when the crystal the old gift shop owner insists Lily have transports her back in time. Now she wishes she'd paid more attention to history so she could know how to survive life in this time she's been transported to the time of Native Americans before Europeans arrived. Lily intrigues Helio immediately. He's never met a woman like her. She's into bugs and has a quick intelligence he admires. She's got him thinking about building a life with her instead of the single life he's had until now. But Lily hasn't told him she's from the future yet. Will he believe her? Can she bare to leave behind modern life and stay in a time so different from her own in order to be with him? There's one thing she does know for sure. She's falling for him, hard and fast. All that's left to do is decide what she wants—him, or the twenty-first century? Warning! This ebook contains explicit scenes of passion and desire. For adult eyes only!!!
