

## Duty To Protect (Mills & Boon Intrigue)

A hero worth waiting for Crisis counsellor Ginny West confronted danger every day. But when a bomb blast trapped her in a burning building, she never thought she'd make it out alive. Just in time, Riley Sinclair rescued her. But the ruggedly sensual firefighter awoke a need that rocked her to her core. A love worth fighting for Riley had risked his life to save Ginny. And he'd do it again. Yet even as he swore to protect her, he couldn't reveal his tragic secret. When a violent stalker comes after Ginny, Riley knows he has to share the truth about his painful past to jeopardise their future together.
