

In His Loving Arms (Mills & Boon Desire)

Only Mark Remington could make her heart melt. But he wasn't the one she married. Now, widowed and pregnant, Lauren McKenzie was surprised to find him on her doorstep again seven years later. She didn't know why he'd come back or why he was determined to stay. Helping his brother's widow get back on her feet was honorable. Yet Mark didn't know how much longer he could deny the feelings he had for this beautiful mother-to-be. All he wanted to do was pull Lauren to his heart and let her know they were destined for each other. Could he convince her that she would always be protected in his loving arms?
