

Magic in Vienna (Best of Betty Neels)

A rather dull girl with no looks to speak of. Doctor Charles Trescombes opinion of his nieces governess was far from complimentary. Cordelia knew she was plain. She also knew what good manners were, and the high-and-mighty doctor didnt have any! But there was magic in Vienna that could transform even the most unlikely people. Much to her dismay, Cordelia fell in love with him anyway. And Charles soon discovered that quiet and unassuming ways had a knack for stealing a mans heart without him even realizing it.
