

When May Follows (Best of Betty Neels)

COULD THEY REALLY LIVE HAPPILY EVER AFTER? The future Baroness van Tellerinck isn't exactly sure why she has agreed to get married. Perhaps it's because the tall and broad-shouldered Raf doesn't make her feel like a giant. It certainly isn't a love match. She doesn't love Raf, and he seems indifferent toward her. Everything changes, though, when Raf's ex-girlfriend, Beyke, returns and shakes up this marriage of convenience. Suddenly Katrina's emotions are in turmoil. She couldn't be jealous, could she?
