

## The General: Irish Mob Boss

In a twenty-year career marked by obsessive secrecy, brutality, and meticulous planning, Martin Cahill, aka, The General, netted over 40 million pounds. His criminal record included assassination, kidnapping, bombings, and one of the worlds largest art and gold heists! He was untouchable and fiercely loyal to his gang. Loved by the common man, his personal battle with the police made him a living legend. But Martin Cahill not only refused to respect the police, he refused to pay tribute to the IRA. And unlike the police who had to follow the letter of the law in their battle to bring down Irelands most wanted, the IRA played by their own rules.
