

A Royal Affair: Affaire Royale, Command Performance (Cordinas Royal Family)

#1 New York Times bestselling author Nora Roberts brings you the first two unforgettable stories in the fan-favorite Royals of Cordina series. **Affaire Royale** Princess Gabriella has escaped captivity, but she's lost her memory and her kidnappers are still at large. She needs a bodyguard, and brash American Reeve MacGee is the perfect man for the job. The handsome ex-cop can handle anything—except falling for the stunning, vulnerable woman in his care. **Command Performance** Years ago, Eve Hamilton had a fleeting schoolgirl crush on the powerful, reserved and compelling Prince Alexander—but he'd clearly disapproved of her. Now that she is finally reunited with Alex, he is fascinated by the beautiful, independent woman Eve has become. Suddenly, he wants to show her that he is everything she could ever want.
