This amazing journey may have a thousand paths, but all will end at the door of the infinite. The mystical experience is an encounter with the deepest truth and ultimate reality in which there is a sense of sacredness so rich and beautiful it cannot be adequately described. The mystical experience is enlightenment, awareness, wakefulness, love, peace, and a million things more. It is nothing at all. It is the all. The experience may last but a moment but it can change your life. It is available to all people in every moment of life.
