

The Sacred Bond Series Boxed Set (Christian Romance)

Heartwarming inspirational romance celebrating heroic men with strong values and protective instincts. The Sacred Bond series spotlights four former delinquents who grow up to become heroes due to a bond they made as teenagers. A Christmas Bond Romance between enemies ... In this Christian romance, war hero John Moretti sees the delinquent boys he mentors as the sons he never had, and he wants to give them every opportunity to reform. Crime victim Annie Bauer views them as dangerous threats to her elderly grandma, who lives next door to the boys residential school. When the Baby Jesus is stolen from Grandmas yard nativity scene, the boys potential involvement may send them straight to hard-core juvie, and break the fragile connection thats building between Annie and John. Until the so-called delinquents join together to make a sacred bond His Baby Bond Battle for a Baby ... In this Christian romance novel, poor-but-proud Kendra Forrester doesnt need an arrogant millionaire to tell her how to raise her sisters baby. But when handsome Zeke King arrives at her Colorado cabin demanding custody of his brothers child, strategy dictates that she let him stick around. Battling mountain weather and the babys illness brings these two opposites together, but their own insecurities, their dead siblings secrets, and a jealous former boyfriend threaten their tentative bond. Only the Lord and the Sacred Bond Brotherhood can help Kendra and Zeke form a family for their baby. The Brides Broken Bond A Runaway Bride ... As the wedding music starts playing, poor little rich girl Hope DeMille learns that her husband-to-be loves someone else, but her domineering, high-society father wont let her back out of the expensive wedding hes funded. Enter Rock Anderson, a former inner-city kid mentored by Hopes parents, whos always wanted Hope. After helping Hope escape,

Rock gets her a job at his urban mission and helps her find meaning in her life. But when Hopes powerful father seeks revenge and one of the inner-city kids goes missing, itll take the best efforts of the Sacred Bond brotherhood to help this opposite-sides-of-the-tracks couple overcome their differences and commit to love. Her Reunion Bond The single dad blues ... Ever since she lost her unborn child and the use of her leg in an accident, Wendy Smith has given up on romance and focused on kidsher own foster kids, and those she teaches. Daniel Masterson, Wendys high school boyfriend, has been earning money hand-over-fist in the entertainment industry, but his wifes death showed him how shallow his life isespecially now that hes raising his daughter alone. With the encouragement of his Sacred Bond brothers, Daniel returns to Pittsburgh to do a fund-raising campaign for Wendys school, and he rents a house adjacent to Wendys. Now the two families are forced to spend time together, and Wendy and Daniels attraction reignites. The only problem is that Wendys never told him the truth about the baby she lost The Doctors Bond Bad Boone McDermitt is back in Pleasant Haven, Florida to help his troubled nephews ... not to romance the preachers daughter! But the handsome doctor sees a kindred spirit in restless, talented Abby Smith, and hes drawn to her spirituality as much as to her beauty. The problem is, Boone doesnt think hes good enough for Abby, and a few small-minded church people agree. As for Abby, she must choose between a dutiful life with the clean-cut minister dear old dads chosen for her and the dangerous, passionate freedom Boone represents. Itll take a lot of prayer and an assist from the Sacred Bond brothers to teach Boone and Abby that sometimes, the biggest risk is in not following your heart.
