

A Buckhorn Summer

In a sexy new Buckhorn Brothers novella, New York Times bestselling author Lori Foster welcomes readers back to the small town that's big on romance. Lisa Sommerville's wild one-night-stand was completely out of character for the workaholic businesswoman. So when she arrives in Buckhorn, Kentucky, to spend a summer rethinking her career, she's stunned to find that Gray Neely has stepped out of her steamy memories and taken up residence in her hometown. What's more, the laid-back ex-cop wants to pick up where they left off. Lisa has been on Gray's mind every day since that mind-blowing encounter. He was reeling from a tragedy in the line of duty, and their connection was instant and intense. Still is. But sleepy Buckhorn is a million miles from her corporate world. And he has one sweet, hot summer to prove they have a future there, together... Don't miss the other titles in the Buckhorn Brothers series, including Buckhorn Beginnings, Forever Buckhorn, The Buckhorn Legacy, Buckhorn Ever After in the All For You anthology and Back to Buckhorn.
