

Love on the Islands

Shades of Serenity Captain Treva Monroe of the E.S.P.U., Extreme Suspect Profile Unit of Cincinnati is in need of a vacation. Since Treva found out she was a Earth Seraph destined to rid the world of evil by her three Light guardians her world has been turned upside down. Not to mention her reluctant budding relationship with her co-worker Det. Michael Vanasco. Michael has been in love with Treva for five years but she has kept him at a distance. Noticing how burdened Treva is with their caseload and recent angel warrior status decides to whisk her away for a week of sun relaxation and hopefully to convince her they belong together. However will unexpected turn of events push her further away. Sex, Greece and a Barbatelli Sal Barbatelli and Dr. Nya Black, had just started a very new very touchy relationship. Nya still could not say that her boyfriend was a white man, and Sal could not believe that he was with just one woman. They both had been through a lot lately and needed a break, being as different as night and day neither of them thought they would agree on a place. Greece! A place Nya has always wanted to go and a place Sal knows very well, only Nya does not know that part. Can this new couple go on vacation and enjoy the sun, sex, and exotic food and cement their relationship. Or will Nya's demons make her push Sal away? Will Sal think the grass is greener on the other side? You never know when you are dealing with Sun, Sex and a Barbatelli!
