

## The Mother of His Son (Silhouette Special Edition)

THE WOMAN HE HAD NEVER STOPPED LOVING What under heaven had driven Bethany Martin from his arms? What had made her abandon their dreams, disappear without a trace? For years Luke Ryan had asked those questions and cursed Beth's betrayal. But he'd never stopped loving her. Not for a heartbeat. Now Bethany was back. And Luke vowed to learn the truth. For by Beth's side stood the son Luke had never known he had. His long-lost love and newfound child nearly broke his heart anew. After all these years could he piece together the cruel lies that had torn them apart? Could he make his shattered family whole?
