

A Chorus of One (Texas Weddings, Book 2) (Heartsong Presents #613)

Jessica Chapman has her happy ending planned out. Does it really matter that she and her fiancé don't agree on every little detail? Or even on some big ones - like her passion for music and the theater. Jessica plans to become Nathan Fishers wife and live happily ever after in Houston. But then Jess is offered the internship of her dreams. The handsome and tender-hearted Colin Phillips sees something special in Jessica, believing the Lord has chosen her to train vocally gifted children - in Dallas. Could God also have chosen her to play a more important role in Colins life? Should Jess settle for an ill-fitting, lack-luster marriage? Or will the Lord orchestrate the perfect duet? Fall in love with this inspiring love story and our entire collection of Christian romance novels from Heartsong Presents!
