

A Christmas Wish (Best of Betty Neels)

For Olivia Harding, the offer of employment at an exclusive private girls school had come as something of a godsend. With little experience, she hadn't expected to find a job so easily, let alone one that still brought her into contact with her former boss, the eminent Dutch surgeon Haso van der Eisler. Of course, his frequent visits to the school had more to do with his goddaughter, Nel, than her own limited attractions. Nel was a lonely, fatherless girl, and that Haso should marry her glamorous mother seemed obvious to all but Olivia's stubborn heart!
