

The Cinderella Makeover (Suddenly Cinderella Book 2)

Fashionista Francesca St. James has agreed to work as a fairy godmother on the reality TV show Project Cinderella, taking contestants from geeky to dreamy. When Francescas archrival bets she cant transform the awkwardly sweet CEO to hot in under eight weeks, Francesca accepts the challenge. As CEO of a tech company, Greg may have billions, but whats it worth without a woman to share it with? From day one on the show though, he clashes with his gorgeous fairy godmother-yet off-set, he cant stop thinking about her. But this sexy woman is so far out of his league...and wants to change every single thing about him. Its up to him to show her its more than clothes that make the man. May the best man or geek win...
