

## McKingley Volume Three

Irresistible Forces Leonardo Wright has been fighting his attraction to the sexy diva that gets under his skin like no other woman. Deyon is one woman who he can't seem to resist. She is a family friend but he wants to take their relationship to another level. But he wants to do so on his terms. However, when dealing with Deyon, she plays by her own rules and her passionate nature will not let him do as he wants. Deyon Declare is not prepared to wait for any man to make a decision for her. Leo wants to be involved with her and he thinks it will be the way he wants it. He is very wrong. Whatever they have will be by both their terms a mutual meeting of minds, body and souls. At least that is the plan if she can get the stubborn sheriff to understand that she is not a woman who does anything unless she wants to. Seductions Dance Dimitri Wright doesn't plan to become part of the epidemic of marriage that has befallen his siblings. He knows meeting a woman who is blunt and straightforward and could possibly change his mind is unlikely at least until the most fascinating woman crosses his path. She is everything he thought he wanted but he realizes he is on edge, not knowing what Shannon is thinking or feeling. He wants Shannon and will use whatever he can to have her. Shannon Conner values quiet and her time alone and doesn't want anyone to encroach on her. But Dimitri isn't like any other man she has met. She doesn't get emotional or act the way that is considered typical and it usually makes people uncomfortable. Yet Dimitri understands her and makes her feel things she'd never expected.
