

A Compromising Affair (Mills & Boon Kimani Arabesque) (The Harringtons, Book 5)

Scott Galloway has always known how to get what he wants. A U.S. Ambassador at thirty-six, he's got ambition to burn. His latest goal is to settle down and start a family. But finding the right candidate isn't easy. Especially when the one woman he can't stop thinking about is the one he ruled out years ago. Accomplished and successful in her own right, Denise Miller has never forgotten Scott, in spite of their disastrous first meeting. And now that their mutual friendship with the Harrington family has brought them together again, Denise is more and more intrigued. Scott is strong enough to stand up to her and she could be the loving, equal partner he needs. But with hearts this stubborn, and passion this wild, can they find the compromise that leads to forever?
