

# A Family Business: A Chilling Tale of Greed as One Family Commits Unspeakable Crimes Against the Dead

A chilling tale of greed as one family commits unspeakable crimes against the dead. For sixty years, families in Southern California trusted the Sconce Family Funeral Home with their loved ones remains. That trust was betrayed in an extraordinary, horrifying fashion, as it was discovered that the family, seeing an opportunity, had been stealing gold fillings and harvesting the organs of the newly deceased, hiding the evidence by burning the bodies in their crematorium. When the shocking acts came to light, a trial brought every gruesome detail to the forefront, and Ken Englade has, with even-handed, clear-eyed reporting, chronicled every chilling detail.
