

A Forbidden Desire (Mills & Boon Vintage 90s Modern)

A scorching seduction? Jacinta knew as soon as Paul McAlpine opened his front door that she shouldn't stay. Gerard had warned her not to fall for Paul, his cousin, during her visit to Waitapu, New Zealand. But she already had - ten months ago! She'd kept her distance then, determined not to give into the compelling attraction she'd felt for this man. Now she faced spending a long, hot summer in Paul's company. How on earth was she going to deny their mutual, sizzling desire?
