

## A Hope Undaunted: A Novel (Winds of Change)

The 1920s are drawing to a close, and feisty Katie OConnor is the epitome of the new woman smart and sassy with goals for her future that include the perfect husband and a challenging career in law. Her boyfriend Jack fits all of her criteria for a husband good looking, well connected, wealthy, and head over heels in love with her. But when she is forced to spend the summer of 1929 with Cluny McGee, the bane of her childhood existence, Katie comes face to face with a choice. Will she follow her welllaid plans to marry Jack? Or will she fall for the man she swore to despise forever? A Hope Undaunted is the engrossing first book in the Winds Of Change series from popular author Julie Lessman. Readers will thrill at the highly charged romance in this passionate story.
