

A Kiss for Luck

One sexy firefighter, one bottle of wine and one innocent kiss on New Years. What could possibly go wrong? With a failed marriage behind her Dr. Clara Evans has only a romance novel for company on New Years Eve while waiting for the dreadful year to end. Her lonely celebration is disrupted when her best friend Jackson Philips shows up, but she's not complaining. Tall, muscular and handsome, Jackson has been the leading man in her fantasies since college... Long before he donned his turnouts for a living. But it's not until she steals a desperately needed kiss for luck at midnight that secret desires and hidden heartaches rise to the surface, igniting an inferno of passion that burns between them hot enough to overwhelm even the most seasoned firefighter.
