

## Family Practice (Mills & Boon Vintage Cherish)

ALL OR NOTHING After a very bitter very public divorce, high-society surgeon Michael Harper needed a vacation. But his plans for peace and quiet hadn't included falling in love with a stubborn, self-reliant cocktail waitress from the wrong side of the tracks or the two kids she hoped to adopt. Mansions, money marriage. Michael was suddenly prepared to offer it all. But Kara Westin refused to take charity from anyone, especially not from a sexy, well-meaning doctor who knew more about family fortunes than family values. Despite temptation, Kara was determined to keep her distance. The only way she'd surrender her pride was in exchange for his heart.
