Not illustrated. 1722 edition. Excerpt: ... We had no such thing as printed Newspapers in those days, to spread rumours and reports of things ; by an Order of Council to perform a Quarantine of thirty days in Hole-haven. The a Intelligencer was commenced by Sir Roger LEstrange, in December 1664; and the Newes, also by him, on the third day afterwards; and those

papers were continued to be published, in alternate...
