

143: A Short story regarding love.

A Short story about overcoming a life threatening illness and using the love of the ones around you to support you through it. A story of a young man and woman who fall in love and have to overcome this obstacle together with the help of a phrase that was handed down by the girls parents. 143 is a heart throbbing story involving love, passion, romance, and strong will. With a person you love so deeply next to you, you can conquer anything.
