

A Pawn in the Playboys Game (Harlequin Presents)

A grand master of seduction Alessandro Falcone is notorious for winning in every pursuit. Being forced back to Scotland on business is an inconvenience for the billionaire bachelor, but hell get in, get what he wants and get out until the delectable Laura Reid becomes a welcome distraction on the long, cold Highland nights. Laura may be the opposite of the glossy women Alessandro usually favors, but her voluptuous figure and fresh-faced innocence have an allure that make her even more of a challenge. And in the game of seduction this playboy always wins!
