

## The Prayer Life

In *The Prayer Life*, noted Christian author Andrew Murray addresses the problem of prayerlessness, a problem that knows no generational boundaries. Murray cuts to the heart of the problem, offering suggestions which, if followed, will have a serious impact on the life of the earnest reader. Murray explains that, since prayer is an outgrowth of abiding in Christ, prayerlessness is fundamentally a lack of abiding rather than simply a lack of prayer. *The Prayer Life* is a challenging call to a deeper Christian experience, out of which will naturally flow a life of prayer. Much more than a book on how to pray, *The Prayer Life* is a book on how to have a deeper spiritual walk.
