

## A Priceless Love (Harlequin Presents, No 1177)

It would be madness to succumb to him. A struggling young widow, Gina focused all her energy on earning money. Money enough for the operation that would save her daughters eyesight. Yet when adventurer Liam Shannon, a man from her past, burst back into her life demanding she give into his long, obsessive desire for her, Gina found herself teetering on the brink. When it came to a final decision, Gina turned tail and fled. But she soon learned that escape from Liams dazzling presence was not going to be that simple. This is from the back cover of the book.
