

## A Reckless Beauty (Becket Novel)

Fanny Becket has adored her adopted brother since the day they both lost their parents and became part of the Becket family. Where he goes, she has always followed. But pursuing him into battle, Fanny quickly finds herself in the line of fire and quite unexpectedly in the embrace of a handsome stranger. Valentine Clement, Earl of Brede, has seen enough of fighting to know there is no adventure to be found at Waterloo. Yet the moment he spies Fanny he is duty bound to save the reckless beauty, most especially from herself. Although with a woman such as Fanny, it may very well be his lordship who is in need of true protection.
