

A Rogues Wager (Zebra Regency Romance)

Had he risked his honour...WWhen Lord Connought gallops into Harriet Godwynes cherry orchard, only to dismount and sweep her into a scandalous kiss, shes furious. How dare the arrogant cad presume to trifle with her after his abominable behaviour seven years past? She had loved him then, until a foolish wager drove them apart. Harriet has never quite forgiven Connought, and when her friends lay odds that she must charm him out of three of his prized possessions of marry him, she cannot deny the temptation to beat the handsome - and still endearingly infuriating - man at his own game...
