

## A Royal Pain (Matchmaking Mamas)

MATCHMAKING MOMS Take a memo, Malcolm. Lucretia always began the same way. And she always called him Malcolm, even though his name was Charlie. But this time the boss from hell was sounding more like the matchmaking mother from hell, and she was making unreasonable demands on Charlie. How was he supposed to lead her spoiled-rotten daughter, Sabrina, into wedlock, against her will? It was beyond the call of duty! But it paid very well. And the lovely Sabrina had a way about her.
