

A Secret Birthright

Prince Fareed Aal Zaafer is driven by one purpose to find his late brother's family. But when Gwen McNeal arrives, needing his help, Fareed is relieved she is not the woman he seeks, for he must claim her for his own. Fareed is Gwen's last and most dangerous hope. For he doesn't just overwhelm her senses, he sweeps her and her baby away to his kingdom—the last place she should ever go. Now she must hide the truth, and deny the desire between them at any cost. For if she fails, the result will be unthinkable.
