

A Sister Would Know (Mills & Boon Vintage Superromance)

TWINS: Theyre definitely not two of a kindShe needs answers: With uncanny accuracy Amalie knows the exact moment her identical twin is swept away by an avalanche in the Canadian Rockies. What she doesnt know is what her timid, unathletic sister was doing up in the mountains in the first place. For everyones sake, Amalie is determined to find out.Hes the man who can give them to her: Grant Thorio, manager of the Avalanche Control Section at Rogers Pass, British Columbia, can help her. But he wishes Amalie had stayed put in Toronto. Her sister, it seems, caused nothing but trouble in the two months she lived at the Pass. The last thing he wants is Amalie here in town, kicking up a fuss.Especially once it becomes clear to both of them that he can give her more than just answers about her sisterand she wants more than that, too.
