

One Night in London (Bella & Andre: Age of Love Book 2)

Book 2 in the Age of Love series featuring Bella & Andre! Finally back from Paris, Bella Sinclair is still on Cloud Nine after her explosive night of passion with Andre Moore. Until Andre's model ex-girlfriend, Clarissa Evans, shows up at her door just when she and Andre are about to pick up where they left off in Paris. Bella is more than shocked; she fears that what her friends just told her about reports of Andre being back together with Clarissa are true. Which causes Bella to doubt if what she and Andre shared in Paris was real. Bella's first instinct is to guard her heart. By the time she talks to Andre and he eases her concerns, he's heading out of town. He'll be doing some charity work on the west coast, and after that he's heading to London to be the best man at his best friend's wedding. He invites Bella to join him in London, and she says yes. A night in London ... she knows it will be as amazing as Paris was. Her friends tell her to make sure she guards her heart and just has fun. She's old enough to have sex with no strings. Though Andre makes it hard for a woman not to fall for him ... The only thing that can ruin Bella's night in London with Andre is the appearance of Clarissa, who despite being told to stay away shows up at the wedding anyway. And it's clear to Bella that the woman is set on causing trouble, which makes her uncomfortable. She's too old to deal with any drama over a man. But soon, Bella is thinking only of Andre, and surrendering to another night of passion in his arms. The problem is she's not sure she can keep it just about the sex. Because there's something so irresistible and sexy about Andre that makes her want to fall for him without a safety net. Until the moment that changes everything ...
