

A Tempting Friendship (Clover Park, Book 10)

Even Angels have their limits. Widow Julia Turner is finally ready to date again after five years of mourning her husband. She confides to her longtime friend Angel Marino that she's signed up for an online dating site and is shocked when Angel shows up at her door on the night of her first date. And the look in his eye is anything but friendly. Angel has secretly been in love with Julia since college, and after fulfilling his promise to his deceased best friend to watch over her these past years, he can't stand idly by and watch her date another man. It's time to unleash the sexy for a seduction that's been a long time coming.
