

Something About a Cowboy (NotMy1stRodeo.com)

Hes a man of his word and shes gonna take him up on it. A NotMy1stRodeo.com Story After six years working his ranch and raising his boys, widower Mack Tucker is staring down the barrel of another long, lonely winter. Until his grown-up sons decide its time for him to move on. They not only sign him up for an online dating site, but also screen the first batch of interested parties. Mack is furious until he spots one of the profiles. Hes intrigued. Intrigued enough to drive three hours to Billings to meet Karen Thompson. Burned by her ex, Karen isnt interested in diving into another marriage, but she wouldnt mind dipping her toes back in the dating waters. But this time, things will be different. What could be more trustworthy and honest than a strong, silent cowboy? Their first date gets steamier than either of them intended, and Mack fears it may be too much, too soon for him. Torn between the past and the present, Mack has to cowboy up or lose the possibility of a future with the woman who makes his broken heart beat again. Warning: Contains skinny dipping in public, sensual biting, gratuitous use of roses, and a red lace thong. Sometimes all at once.
