

A Whisper of Rosemary (Medieval Romance) (The Medieval Herb Garden Series Book 3)

The second book in the Medieval Herb Garden Series... Captures the very essence of medieval life! --Wordweaving Lush, romantic, unputdownable! --bestselling author Cheryl Bolen From NEW YORK TIMES and USA Today bestselling author Colleen Gleason: a sweet romance of ladies, lords, knights and chivalry. In the Age of Chivalry... A time when kings and queens vie for power amid treachery and betrayal...a time when brave knights live and die by a code of honor...And a time when women are nothing more than political game pieces, moved at will by the men in their lives. One woman dares to be different. Maris of Langumont manages her fathers vast estate, rides as well as any man, treats the sick and injured with herbs from her garden, and boldly argues politics with her fathers peers. But everything changes the day her beloved father pledges her hand in marriage to a man shes never met. Mistaken Identity Dirick of Derkland cares about nothing but seeking vengeance for his fathers brutal death. When the beautiful and spirited Maris mistakes him for her betrothed, sparks ignite, and he suddenly finds himself torn between honor and the only woman who may be able to heal his soul. A Whisper of Rosemary Maris is a gifted healer who can cure many ills with the herbs in her garden. But can she find a remedy for the danger and deception that threaten to keep her from the man she loves? A story of kings, queens, adventure and knightly love. I loved this book!
