

## Ace: The Story of Lt. Col. Ace Cozzalio

Bronze Medal Winner: 2016 Independent Publisher Book Awards Ace is the story of Ace Cozzalio, a bold and courageous U.S. Army helicopter pilot flying with Lighthorse Air Cavalry during the Vietnam War. In his eighteen-month tour of duty, Ace is shot down by enemy gunfire six times and is awarded every medal of valor with the exception of the Medal of Honor, some multiple times. The stories presented in this book tell of Aces heroic exploits while fighting the enemy in the Mekong Delta emphasizing the extraordinary character of this dedicated soldier hero. In reading these incredible, never-before-told stories, the reader gets a glimpse into who Ace Cozzalio is and why his dynamic presence is oftentimes the pivotal element that turns the tide against the enemy. A relentless warrior and a natural-born leader, Ace is always leading the charge, winning the battle, and bringing the troops home safely. Confident and charismatic, he endears himself to his fellow cavalry troopers and the tales of his courageous deeds soon become legendary. And, Ace is a maverick never satisfied to follow the status quo. Uniquely attired in his signature military uniform with white Cavalry hat, saber, and yellow scarf, reminiscent of the U.S. Cavalry of the 1860s, Ace is singularly recognized as the classic image of the cavalry. Ace is a high-speed, low-level flight through the fascinating life of Ace Cozzalio, focusing on his escapades, adventures, and mishaps in the Vietnam War.
